Linden, New Jersey 07036

(908) 587-9400 (800) 526-6078 www.autolog.net

Autolog's main New York metropolitan area terminal is located at 401 Commerce Road in Linden, New Jersey. Our terminal is located in a modern fenced in facility in a safe, convenient area with direct access to all major area highways and public transportation.

You may travel to our terminal as follows:

- (1) The New Jersey Turnpike to exit 13. Stay to the right and follow the signs to Linden via Rts. 278-1 & 9 South. The first traffic light you come to connects Rte. 278 with Route 1 & 9. Continue south and get into the right lane as soon as possible after the traffic light. Go approximately 1/2 mile and make a right hand turn on Industrial Way. Industrial Way is right after a Gulf Gas Station and just before the U.S. 1 Diner. Go to end of street and park in front of our office.
- (2) Verrazano Bridge to Route 278 to Goethals Bridge. Follow signs to Linden-278 & Routes 1 & 9 South and follow above directions.
- (3) Garden State Parkway south to exit 136; follow exit to U-turn and go back up over the Parkway. Continue straight through the light at Raritan Road onto N. Stiles St. to the 1st traffic light; make a left (you will be on Stiles St. after you make the left); go approximately 5 traffic lights to West Linden Avenue; make a left onto West Linden Avenue (which turns into East Linden Avenue) and go about 2 miles to Park Avenue. Make a right on Park Avenue and another right on Routes 1 & 9 and go one and a half miles and turn right on Industrial Way (just after Gulf Gas Station and before U.S.1 Diner).
- (4) Garden Sate Parkway North, exit at 136; go straight through light at Raritan Road onto N. Stiles Street; follow same directions as above in number 3.
- (5) George Washington Bridge or Holland or Lincoln Tunnel. Take directions from New Jersey Turnpike.
- (6) From Penn Station in New York City - Take NJ Transit to the Linden, New Jersey Station and call Autolog. We will pick you up at the train station.
